Having trouble with white nylon becoming grayed or yellow with use?

Then you'll be interested in this advise from Miss I. Byrd Johnson, clothing specialist at VPI.

When regular washing methods do not restore the "whiteness" of nylon, follow these steps in the order given.

Wash garments thoroughly with soap or synthetic detergent, by hand or washing machine, depending on the construction of the garments. Fine lace and seams which may fray should be put in a pillow slip or a special mesh laundry bag when a machine is used.

Use an enamel container. To one gallon of hot water (160°F or simmer—don't boil), add one package of color remover and add wet garments immediately. Stir gently keeping the temperature at 160° Temperatures above that may set wrinkles that are hard to remove by ironing. If after 30 minutes, whiteness is restored evenly, remove the garments and rinse thoroughly in hot water. If whiteness is not evenly restored, leave in the remover 30 minutes more.

Then if they are not as white as you would like, add two tablespoons of chlorox and two tablespoons of a synthetic detergent to about one gallon of warm water. Immerse garments and with occasional stirring let soak 30 mintes. Rinse thoroughly in warm water.

For final rinse, immerse garments into about one gallon of warm water containing a tablespoon of an optical whitener such as Nylon Brite, Nylon Nu, etc. Drip dry. Iron with a steam iron or a dry iron at rayon setting on the wrong side, or over a cloth on the right side.

Remember, you may not need to take all of the steps to get good results, but that you do need to take steps in the order given.

To keep nylons white, wash white garments separately. Even pastel colors can cause greyness. Wash nylons thoroughly and rinse carefully using plenty of water. If hard water is used, use a synthetic detergent or a water softener, and also use a little detrgent in the rinse water. Regular soap combines with hard water and leaves a gray deposit. Do not apply extreme heat It will cause nylons to turn yellow. In using automatic dryers, do not set temperature above 200°. Keep your iron set on lowest temperature.

Follow directions given on label and note particularly any "cautions" the manufacturer may give.

BOOK AVAILABLE

A comprehensive story of the history and functions of the American government—in question and answer form—is being made available to residents of the Fouth District through the office of Representative Watkins M. Abbitt.

The 64-page booklet entitled, "Our American Government" contains 291 questions and answers dealing with many important functions of the governmental system of the United States. The document has been made available through a special printing authorized by the Congress.

The non-partisan publication is the revision of a document first published during the 79th Congress and has been distributed widely through out the country. The compilation of the vital questions and answers on the government was originally drawn up by Representative Wright Patman (D.-Tex.)

Congressman Abbitt said that he felt the booklets would be of special interest to students and that a limited number of copies have been made available for free distribution. Inquiries should be addressed to Abbitt at the House Office Building, Washington, D. C.

Town election to be held here on June 14.

IN MEMORY

In loving remembrance of my Father, Mr. Benjamin M. Ferguson who passed away four years ago, April 9, 1951.

This evening brings me sadness
Of what happened four years ago
The Lord came and called you,
Never to return any more.

No morning dawns, no night returns,
But what I think of you;
Those left behind are very dear,
But none replaces you.
—Missed by Daughter,
Mrs. C. J. Paulette.

IN MEMORIAM

In sad but loving remembrance of our dear mother, Mrs. A. B. Ferguson, who departed this life six years ago today, April 7, 1948.

Gone dear mother, gone forever,
How we miss your smiling face.
But left us to remember,
None on earth can take your place.

All we can do now, dear mother,
Is to visit your grave often and place
Flowers there and think of the
wonderful lessons you taubt us,
How to live for Jesus.

A happy home we once enjoyed,
How sweet the memory still;
It seems but yesterday when we
heard your call.

Help us to wait, dear Jesus,
Wait until the night is o'er.
Till we meet our darling mother,
On that happy golden shore.
—Sadly missed by
Her Children.

IN MEMORIAM

In sad but loving remembrance of our dear son and brother, Wesley M. Franklin, who left us three years ago today, April 2, 1952.

Three years have passed since that sad day,
The one we loved was called away;
God took him home, it was His will
But in our hearts he liveth still.

Days of sadness still come over us,
Secret tears so often flow, when we think
How he left us,
On this lonely earth below.

No one knows how much we miss you
No one knows the bitter pain.
We have suffered since we lost you
Life will never be the same.

How we miss your welcome footsteps
The ones we loved so dear to hear
We still listen for your coming,
Feeling sure you are near.

You left behind some broken hearts
That loved you so sincere;
That never did or ever will
Forget you, Wesley dear.
—Sadly missed by Father,
Mother, Sisters and Brothers.

CARD OF THANKS

LOSSES TO CORN BORER REPORTED HEAVY IN '54

Almost 192 million bushels of grain corn worth more than $261 million—about 7% of the national crop—were destroyed by the European corn borer in 1954, according to U. S. Department of Agriculture estimates.

In Virginia, in the 7 counties included in the estimate, the loss was put at 112,000 bushels, valued at $183,000. The pest, however, is known to be in at least 92 Virginia counties, and the actual losses would be much higher.

Nationally, the 1954 losses were more than double 1953's estimated 3% loss of 90 million bushels. Last year's losses have been topped only once, in 1949, when corn destroyed by the borer was estimated at almost 314 million bushels worth nearly $350 million.

207,000 IN STATE TO COMPLETE AUTO PAYMENTS IN 1955

Richmond.- An estimated 207,000 Virginia automobile owners will complete their installment payments on new and used passengers cars in 1955, according to a study by an independent automobile finance company.

The study also disclosed that 181,125 persons in the state completely fulfilled their car-purchase contracts in 1954.

The company also indicated that every one of these 250,000 car owners who paid off their cars in 1954 or who complete payments this year is a prime prospect for a new car sale.

Across the nation, the company states, about 8,750,000 families and individuals who employed consumer financing to purchase their cars wound up the payments last year. In 1955, it is estimated the national total "paid in fulls' will be 10,000,000.
